F.No. 01/Sri City/Admn/2015

Dtd. 02.01.2015

**CIRCULAR**

To

All the units in the Zone

Dear Sir(s),

Sub:- Sri City SEZ – Maintenance of Cleanliness in the Zone – Reg.

As you are aware, the Hon'ble Prime Minister of India has launched the 'SWACHH BHARATH MISSION' which is a cleanliness drive targeted to make the country neat and clean by 2<sup>nd</sup> October 2019.

The importance of keeping both the units and the common area of the Zone clean need not be stressed. It must be agreed that though the Units take all care to keep their premises clean, the same attention and regard is not given to the public spaces and the common area of the Zone of which, the units are a part of. A poorly maintained zone will also reflect badly on the units and their social responsiveness.

Therefore, in the interest of the zone, it may be ensured that the immediate area adjacent to the compound walls on all sides up to the road or boundary to be cleaned cleared of vegetation and litter and suitably landscaped. Treated water, if necessary, will be supplied by the Developer on request for watering. This work may be taken up as a priority and if the units desire, they may make it a part of their CSR initiatives. A compliance report in this regard should be submitted to this office by 31<sup>st</sup> January, 2015 along with photographs of the work done.

Looking forward to your co-operation and active participation in this endeavour.

(A. K. CHOUDHARY)  
DEVELOPMENT COMMISSIONER
